

Bird Brand Complete Wood Protector

This product is used to top up the basic level of protection on buildings from our Diamond range.

- Colour: Golden Brown
- Availability: Collect from store
- Application: Large creosote brush or sprayer

£30

Per 5 litre can

Bird Brand Complete+ Superior Wood Preserver

Offering a superior protection for buildings from our Diamond range. Longer lasting and more effective than the Complete Wood Protector.

- Colour: Golden Brown
- Availability: Collect from store
- Application: Large creosote brush or sprayer

£50

Per 5 litre can

Barrettine Waterseal

Used to add a basic weatherproofing protection to pressure treated buildings from our Platinum range when the factory-applied lacquer is not specified.

- Colour: Transparent
- Availability: Collect from store
- Application: Large creosote brush or sprayer

£30

Per 5 litre can

Barrettine Log Cabin and Complete Decking Treatment

Ideal for the protection of new timber decking. Not recommended, however, for the advertised use of protection of log cabins.

- Colour: Transparent
- Availability: Collect from store (low stock retained so always call ahead to check availability)
- Application: Large creosote brush or sprayer

£50

Per 5 litre can

Sikagard Wood Preserver

Highly recommended for the application of a two-coat preservative protection to log cabins and other buildings which are untreated when installed.

- Colour: Transparent
- Availability: Delivered direct to customer
- Application: Large creosote brush or sprayer

£40

Per 5 litre can

Sadolin Superdec
